

Prysmian Group is the world leader in the energy and telecom cable systems industry. With sales of over € 11,5 billion, over 29,000 employees across 50 countries and 112 plants, the Group is truly global and strongly positioned in high-tech markets offering the widest possible range of products, services, technologies and know-how. Prysmian Group Finland Oy employs approx. 500 people and has production plants in Pikkala and Oulu. Further information: www.prysmiangroup.fi.

We are looking for a permanent employment relationship to Pikkala for

Supply Chain Planner

to join the planning team in Supply Chain. You will support Prysmian's Business by collaboration with sales, operations and our global supply chain team to provide optimized availability and to improve customer satisfaction. You get to do demand, production and supply planning in collaboration with our global supply chain team.

In this position you get to:

- optimize and manage stock levels to ensure continuous availability
- plan, coordinate and execute purchase and production planning
- monitor daily progress of the plan and set priorities for production in cooperation with Scheduling team
- monitor and improve main KPI's
- cooperate with wide stakeholder network including Supply Chain, Operations, Purchasing, Sales and Customer Service Center

To be successful in this position an ideal candidate will have:

- Bachelor's or Master's degree in suitable field
- experience in production or inventory planning
- SAP-knowledge or ability to learn and adapt new IT systems
- Good Excel knowledge
- Cooperative and customer focused way of doing
- Good English writing and speaking skills

We offer you a challenging job in a truly global company in a position where you will get to the heart of the production process. In Prysmian, you will have a possibility to develop and fully realize your talent and potential.

For further information about the position, please contact Planning Manager, Kalle Tättilä, tel. + 044 353 5231, Fri 8.1. at 15-16 and Fri 15.1. at 15-16.

Send your CV and application in Finnish with salary request by 24.1.2021.
